

Club Impact Presents  
A Wet and Wild Two Hour Willamette Jetboat Ride

2018 Jetboat Ride

From OMSI to the Oregon City Falls and Back  
Thursday, August 16, 2018

Club Impact has reserved an entire boat for 49 people!

Boarding Time: 9:00 am; Departure Time: 9:30 am sharp

Return Time: Approximately 11:30 am

Cost: \$5.00 per person (participants, providers, volunteers, parents)

Our priority is to get as many current Club Impact Participants on the boat as possible with providers as needed. Current club participants have been to Monday Drop-In Night at least three times in 2018. Other people are also invited as alternates as space on the boat permits. There will be extra seats on the boat for alternates!

**Lunch Option:** *After the boat returns to OMSI, you are invited to join the group for lunch. We will take the streetcar across the river on a ten-minute trip to the SW 3<sup>rd</sup> and Harrison stop. From there we will take a short walk to a food cart pod on SW 4<sup>th</sup> between SW College and Hall streets. After lunch most people will return to OMSI on the streetcar. You will need around \$10 for lunch and a Tri-Met ticket or pass to ride the street car.*

To register every person must:

1. Turn in completed registration form and \$5.
2. Read, sign and turn in Impact NW Waiver of Liability Form
3. Read, complete, sign and turn in Willamette Jetboat Excursions Participant Agreement and Release form.
